MY FIELD OF VISION IS SO WARPED
THE BRAIN READINGS SHOW THAT EVERYTHING'S ALL RIGHT.
ALL PARTS HAVE ACTIVATED WITHIN NORMAL RANGE.
BE QUIET
SFX WAAH

CAN YOU HEAR ME?
NO WAY.
I HEAR YOU!
HUH?
LANGUAGE AND CONNEC-TION ARE OK
SHE CAN ARTICULATE WORDS PROPERLY
MY VOICE IS STRANGE. WHAT'S THIS?
WHAT DOES THIS MEAN?
AND WHERE IS THIS?
AND AND

YOU'RE TOO CLOSE

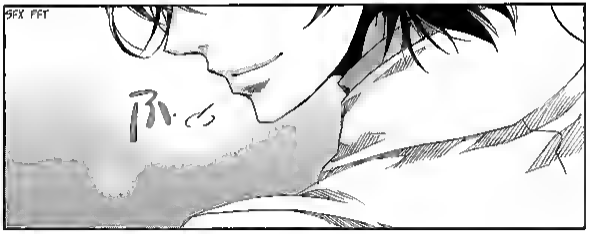
WAH
I AD-JUSTED IT
YOU'RE AWFUL! SUDDENLY FORBID-DING ME!
WHERE ARE WE THIS TIME?
AH
Shouju Sense

MY VOICE IS JUST LIKE SOME VOICE ACTOR
WHAT'S SAMPLING?
WELL, THE SAMPLING FROM EARLIER WAS LIKE THAT TOO
LIAR
WELL, YOU'LL LEARN ABOUT IT SOONER OR LATER

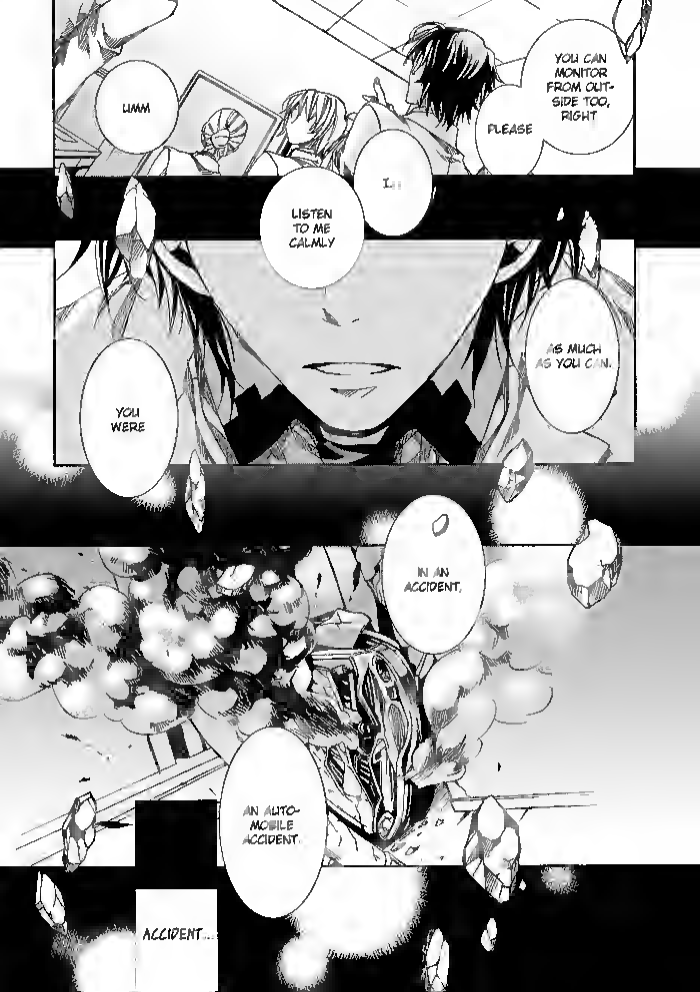
THAT EXPRESSION YOU MADE JUST NOW WAS DEFINITELY ONE YOU MAKE WHEN YOU LIE
YOU DON'T PLAN TO TELL ME
IT'S NOT A LIE.
BUT THERE RE PRIORITIES



SFX FFT

AH, MY FIELD OF VISION IS WEIRD AND
DO YOU FEEL ANY PARTS OF YOU TO BE OUT OF PLACE?
WHAT'S YOUR NAME, DOCTOR?
MY NAME IS SHINODA.
THAT'S A NICE SURNAME!
THAT'S NOT AN ORDINARY PRAISE
YOU ARE A DOCTOR, RIGHT?
IF I'M A DOCTOR, WELL, I'M RATHER MORE AN ENGINEER THAN A DOCTOR.
BUT STILL, YOU'RE AMAZING
EH? YOU THINK?
PROBABLY

INVESTIGATIONS HAVE SHOWN THAT THE HUMAN FIELD OF VISION IS ROUGHLY NEAR TO THAT OF ONE
NO, IT'S A TYPE OF LENS
FISH-EYE. IS IT AN EYE ILLNESS?
THE WARP OF YOUR FIELD OF VISION IS CAUSED BY FISH-EYE.
THIS CORRECTION IS STRANGE THOUGH. I DIDN'T HEAR ABOUT A BRAIN CORRECTION
DO YOU FEEL SICK?
EXCUSE ME
ERR NO
I FEEL SICK BECAUSE OF MY FIELD OF VISION
HEY, SORRY,
WAIT PLEASE
OR HOW DO I EXPLAIN
CAN YOU LEAVE US?
WHAT IS
THIS



UMM
I...
YOU CAN MONITOR FROM OUTSIDE TOO, RIGHT
PLEASE
LISTEN TO ME CALMLY
AS MUCH AS YOU CAN.

AND YOU STILL LIVE.
.... AHA
IT'S JUST ONE BOX.
DO YOU GET IT, DOCTOR?
THE FEELINGS OF A PERSON THAT WAS IN AN ACCIDENT AND ONLY JUST THE BRAIN PUT INTO A BOX.

DO YOU UNDER-STAND IT?
EVERY DAY AFTER I WOKE UP, I WOULD EXERCISE AND RUN
I LOVED TO MAKE WISPS OF WHITE BREATH IN THE WINTER.
I DIDN'T PERFORM MY SURGICAL OPERATION TO MAKE YOU SAD

BUT TO SAVE YOU
BECAUSE I WANTED TO SAVE YOU IN WHATEVER STATE

EVEN IN THE WORLD OF DOCTORS THERE ARE ACADEMIC MEETINGS AS WELL AS REPORTERS AND INTERVIEWS
THAT'S RIGHT.
EVEN THOUGH IT'S TROUBLESOME I MUST GO THERE
BECAUSE IT'S FOR WORK
WAAH
THAT GIVES A FEELING OF A WORKING MAN
DOES IT?
YES

I THINK IT'S WONDERFUL
(*OMAE - AN IMPOLITE FORM OF "YOU")
I LIKE TO BE CALLED LIKE THAT BY DOCTOR
WELL, AFTER THAT I'LL THINK OF A COUNTER-PLAN TO OVERCOME YOUR** BORE-DOM.

(**ANATA - AN INFORMAL FORM OF "YOU")

I'M REALLY NOT USED TO TALKING,
SORRY, I'M STILL LEARNING
I THINK IT'S GOOD TO BE LEARNING!
I WANT TO STOP TALKING WITH PEOPLE THAT ARE ONLY INTERESTED IN PURSUING MEDICAL TREATMENT TECHNIQUES
YOU'VE SAID PLENTY JUST NOW.
THAT'S RIGHT.

YAY!
YESTERDAY, I HAD TALKED TO YOU THE MOST
IS THAT THE THING TO BE HAPPY ABOUT?
I'M HAPPY ABOUT ANY "MOST."
WHATEVER SMALL THING IT IS
ARE YOU SAYING THAT I'VE CHANGED?
EVEN WHILE I WAS IN THE LOWER MIDDLE CLASS I WAS TOLD THAT BY A CLOSE FRIEND
WHAT'S THE LOWER MIDDLE CLASS? THOUGH EVEN HE HIMSELF DIDN'T GET IT
I SEE,
WELL, I MIGHT BE PART OF THE LOWER MIDDLE CLASS

I KNOW
DON'T SLEEP WITH YOUR STOMACH EXPOSED SO YOU DON'T CATCH A COLD
DO YOU HAVE AN EXPERIENCE WITH THAT?
BOO
WHEN I HAD A STOMACH I SLEPT IN PAJAMAS

IF THAT'S ALRIGHT,

UM...
IS THERE SOMETHING?
YES!!

"STILL, RETURN QUICKLY."

"Waterpon Are you there?"
Although he was pretending to knock on the door, Kirita Seishirou was in fact looking at his friend
He was half surprised half drowning in emotion
He was recalling the memories of the past four years from entering the narrow apartment room to now carrying out his luggage leaving the apartment empty
Kirita was calling for the attention of Waterpon, his friend since he seemed to have been lost in the same emotions
"Ahh " he said reluctantly as he looked around the room
"Don't get lonely ' Kirita said sadly
As if all their worries were blown away, Waterpon laughed
' Seishirou make sure you at least call me "
"That s impossible "
Kirita looked away Waterpon laughed sarcastically
"Even so it's a little sad isn't it? Wa'll be separated from now on You used to be able to walk to my place "
A complicated expression crossed Kirita s face In fact he wondered if visiting America every six months was going to be enough
Waterpon laughed as he saw Kirita's face
He reached out a hand
"Even after I leave the university, we ll still be friends, right?"
"Naturally '
Kirita slapped Waterpon s outstretched hand Both he and Waterpon were looking at each other laughing out loud
"Make sure you get a phone it's okay if you don't come to America I'll come back eventually '
"You forgot about the time difference "
Just as Kirita was just about to mention that that was common sense, Waterpon's slender figure was shaking from laughter
"You're hopeless Ever since we were kids you'd always come over to play whether I was sleeping or taking a bath "

"I've grown up already."
"Even so, you'll be a 5th year soon. Make sure you don't exclude others. Kick anyone who is reluctant."
"... Anyway, you don't have any other friends. There won't be anyone listening nor laughing."
Waterpon was laughing bitterly.
"You..."
He patted Kinta's back several times.
"...have grown timid."
"I'm not timid!"
Kinta stared.
As he saw this face, Waterpon laughed.
"I'm happy to hear that. I've calmed down now. That's good."
"Wai-"
Kinta stopped himself. He missed Waterpon. There was only one word to describe how he felt. Aside from the coat, he also took the shoes.
"There's barely any time left before I leave. You're late."
"Were you waiting for me?"
"Of course. Why do you think I'm still here?"
Waterpon laughed bitterly as he saw his close friend.
"I told you to call me."
Kinta hurriedly went to Waterpon's side.
As he began to quickly put on one shoe at a time, he hoped to show off the method of wearing them.
"Apologize for this... no, what you said the day before, that comes first!"
"I am me, forever myself. I like to change up my life using some unorthodox ways."
"You stubborn guy."

"You too."
Kirita and Waterpon walked side by side.
"... What time is it?"
"It's 19:00."
"But I think you still have time if you decide to go to Narita."
"I'm only going to say goodbye to you."
"What, you don't want to say hi to everyone else?"
"Naturally. I don't like wasting time."
Kirita looked at Waterpon's profile.
"As I thought, you're still thinking about Shinoda."
"... Is that all you have to say? It has nothing to do with that."
"What, then?"
Kirita said in a roundabout way, avoiding the topic.
"It has nothing to do with you."
"You know, you're a dear friend of mine."
Waterpon looked at Kirita skeptically.
"This is the first time I've said it in four years."
"I've never heard it coming from you."
"There's also this."
"Hey Water, I was just saying it honestly."
Waterpon looked at Kirita. They stared at each other.
"I'm being honest too."
"Despite the fact that you hate change, why are you leaving at the last possible moment?"

Waterpon averted his eyes
"If I tell you, it won't necessarily be good for you."
"I know that. I'm already condemned."
Kirita said magnificently as he opened his arms widely
Waterpon laughed bitterly
"There's a little problem. I committed a small crime a while ago."
"Hah?"
/*/
Up until yesterday, Waterpon and Kirita could walk through the university as they headed to the hospital, concealing themselves by wearing a white lab coats
"It's dangerous, Water," whispered Kirita
"It's okay if you want to go."
"I started researching this year. You know it's not unreasonable."
"I could be your enemy from now on. And when it comes to a crisis, even though you're willing to protect me from it, you can't."
"N-o-p-e. It's all right, Water. When I want to do something bad to you, I'll just come and beat you up."
Kirita said in a suspiciously preaching tone, pointing at the brand new pen that was swinging in front of his chest.
Waterpon laughed sarcastically while walking beside him.
"It's all right. It's not that bad of a thing."
"You're the one I'm the most scared of."
"Do you even understand what I'm saying?"
Waterpon passed by the courtyard, the newest medical care center, which was also dubbed the "research hospital." After applying a film-coated vein dummy, he passed through the vein-type security system[1].

[1]vein type security = biometric authentication system based on the pattern of the veins of the palm. Waterpon bypassed this system with a dummy layer on his hand)

"Hey, what do you think you'll be doing in the future?"
Asked Kirita
"Well, I'll just be me. I'll probably spend some time developing a game. If possible. I hope it gets really popular."
"Will you be stealing data? ... For example, from the superman project?"
Superman. It is not a disease, but a condition that surpasses humanity in both physical attributes and intelligence.
Kirita said that that was the name of the preventive treatment for children he developed at the research hospital.
The story isn't anything special. Several experiments were successful, afterwards came the medical technology and the debate over medical ethics. After all, it was the first-ever preventative treatment of its type created in the world.
Yet, Japan said that the university's hospital did it. The risk was high, but the amount of attention garnered was expected to be very high. The government, holding the central authority, took the risk and it had become very good promotional material.
When Kirita finished his spiel, Waterpon was laughing so hard he began to snort.
"That's so boring. Aren't things like that decided by your own strength or genes or something?"
"But you don't get sick, and the child is promised a high IQ, like a super baby.'
"Then what happened?"
Waterpon stopped laughing.
Although Kirita was walking silently behind Waterpon, Kirita decided to speak.
"Then, Water. What do you think is the strength of humanity?"
"What's this so suddenly?"
Waterpon laughed bitterly. All the preparations were in place. He climbed the staircase up to the 5th floor.
Waterpon was talking while climbing.
"Perhaps it's the action. Speculation alone doesn't give birth to results. Only actions produce results. Humans are defined by the limitations of their lowly flesh and sight."
Waterpon saw Kirita chasing after him from the middle of the staircase.

"I was thinking, Seishirou. Even if a human being works hard to improve, you cannot expect to improve very much. That's why there is no value in hard work."
"You make it a game by wagering on those actions."
Waterpon laughed gently as he looked at Kirita.
"You've found me out. From now on it's my stage. To put it bluntly, don't come with me."
"No."
"Then I have no choice."
Within the blind-spot of the security camera, Waterpon reached up and exchanged the lens with a fake image. He did it fluidly with ease.
'Okay, go. You have 15 minutes. Talk.'
"What is your goal?"
As Waterpon looked at Kirita, his expression seemed solemn.
"It's the mother. I don't have an interest in the super child[2], but I am interested in the mother."
/*/
The special hospital room was a very quiet place.
The window was open and a pleasant wind was gently lifting the curtain.
In the room was a girl.
The girl was smiling as she stroked her large stomach with her hand.
/*/
"Oh, is it time for another round?"
The super child's mother asked while resting on the bed.
Waterpon and Kirita smiled.
"No."
With the same smile, Waterpon answered.
He stopped Kirita with his hand.
From here on, it was Waterpon's stage.

[2]a super child is a child that has superman attributes

I WANT YOU TO BE HONEST WITH ME. WHAT DID WATERPON TELL YOU?
SFX: LEAN
EH...
SFX: CACKLING
WELL, WATERPON IS SOMETIMES USEFUL.
NOPE, WATERPON-SAN DIDN'T SAY ANYTHING.

"Oh then what is it?"
"I wanted to talk with you so I came "
"Is this an interview?"
"No it's not for an article"
"You really came just to speak with me?"
"Yes "
As Waterpon assured her, the super child's mother laughed
"I only leased my womb You guys were the ones who told me that I should stay behind the scenes because he s a valuable sample I suppose I m something like a factory, only with low production capacity."
The super child's mother did not frown but smiled as she looked at Waterpon She was sure he was not a member of the hospital staff
'Who exactly are you? You don t seem to be from the human rights department you don't seem to hate this child either It s kind of nice to see someone who doesn t look like they re dealing with a messiah for once "
Said the super child s mother to Waterpon while smiling
Waterpon smiled bitterly
"I just came out of interest "
"Oh is that so?"
"Yes "
The super child s mother smiled at Waterpon s words as she looked out the window
She was convinced otherwise
"Is that so I m sorry you ve troubled yourself coming all the way with the hope of learning something, but I really know nothing I'm sorry "
"Don't be I already know what I want to know, and you have the answer"
The super child s mother kept thinking
"Like what was the weather this week?"

"Well in response to that I am interested in it but why did you become a surrogate mother?"
"Business I was short on money I was a surrogate mother before too That's why I thought it was a godsend "
'You never felt like it was wrong?"
"I never see the child s face I am not mistaken The time before and now too."
"I feel like there's no sense of accomplishment though Borrowing money would seem to have made more sense "
There was a silence for a while as the mother averted her eyes
"What I said right now was a lie There is a sense of loss I've only leased my womb."
"So then why the second time?"
'For someone like you you either don't understand or don't know but "
The super child s mother looked at Waterponwith her beautiful face
"Rather than being defiled by a man, I want to remain innocent I favor this much better than selling myself That is all Do you have any complaints?"
Waterpon shook his head
'No I don t "
"Do you pity me?"
'No I figured if I pitied you you d get angry at me "
"Nice acting If you were to go to Kabukichō[3] you'd probably be a good host "
"I don't want to lead people on "
"Oh that s a shame Even though you have such great talent "
"That's how I am "
The super child's mother and Waterpon were smiling at each other
Kirita was making a face as if a javelin penetrated his body He said nothing No one would be able to say enough
Kirita looked at Waterpon My dear friend, I wonder since when did you start to walk so far away from me?

[3]Kabukichō Tokyo is an entertainment and red-light district in Shinjuku

"There are still five minutes until the doctor's hospital rounds. Is there anything else you would like to hear?"
"I wonder if it would be all right to ask."
"If you ask quickly."
Superman's mother said with ease. I wasn't sure if this was a mother's intuition.
"I think that the child who will be born will struggle."
"I suppose so."
"They might not know what it's like to have a loving parent."
"Perhaps."
Waterpon nodded.
"Yes. The woman who is to be their mother too - I fear that she will simply possess the child. Even if she does possess the child, I don't think that it would work."
"And so?"
The super child's mother stared at Waterpon.
Waterpon opened his mouth.
"Maybe, after several years, I might find that the child is unhappy. If so, I'll do my best to leave a message with that child. Something short will suffice. Perhaps something like, 'Do your best.'"
After three minutes, which seemed like eternity, the super child's mother looked up.
"... Um, will my name be good?"
"It is written as seven worlds."
Kirita stepped away from the bed. He couldn't listen any longer.
People without resolution could not ask such an important thing.
Both were hiding as the light shimmered, but in the heart of the distant Kirita Seishirou, it remained for a long time.

あとがき

この企画だけは、通るとは思っていなかった[illegible]というのは、インタビューでも他の漫画のあとがきでも沢山書いたので、こちらではそれ抜きでいきましょう。

こんにちは、あるいは初めまして。原作の芝村です。

エンターブレインさんのマンガでは通算三冊目のマンガです。

この作品は技術の生んだ悲劇と恋愛をテーマに(嘘)

まあ、主人公がちょっとヘンではありますが、普通のラブコメです。

このマンガは、作画の松本テマリさんの腕前が光る作品です。
作画難易度は文句なく特A級の難しさでして、登場人物は少ないわ、主人公に表情はないわ、基本、舞台は部屋は一室しかないわということで、相当厳しい制限で書かれています。
これを面白く作画してのけるのは、日本でもそう数はいません。そう言う意味でこの企画は、芸達者な松本さんありきの企画でした。

その上で、なんでそんな難しい原作をつくったのかって?
当たり前の話ですが、それでもやりたい話だったのです。そう言う意味で、私はとても果報者の原作者です。

この作品を作るにあたって、最初ピュアな恋愛物をやろうと決めていました。

その上で、ピュアな恋愛なら、人物は少ない方がいいよね。 とか。
ヒロインの女の子(中学生)と、それを好きでいてくれる男性(二十代)くらいが、狙撃ぼくみえない感じで仲良く自然にやりとりする空気感欲しいな。 とか。
とはいえ、一話目にインパクトが欲しいよねえ。 とか。

そんなことを決めていったら、どんどん作画の難易度があがり、こりゃダメだなと思いつつ、とはいえ、持てるのもしのびがたく、いくつかの案と一緒にだしたら、運よく選ばれた、と言うわけです。 筆致の必死さが編集さんや松本さんに、伝わったのかもしれません。

いずれにせよ。幸せな出会いあって、ようやく一巻目をだせました。
後半ほと面白いと言われる私の作品ですが、次の二巻は公僕の警部とのコラボ回あり、典子の過去が少し明かされたり、連載2年でついに新キャラ(金髪イケメン)が増えたりとしていきます。お楽しみに。
二人の仲もちょっと進展します。

キュン!本誌での展開も、どうぞよろしく。

最後になりますが、編集部のみなさん、作画の松本テマリさん。なにより読者のみなさんに感謝を。 読む内に箱がかわいく見えてくる事を、原作者として心より祈っております。

芝村裕吏

こんにちは、作画担当の松本テマリです。

「キュピズム・ラブ」単行本をお手にとってくださってありがとうございます。

もともと芝村さんのファンだった私にとって、「キュピズム・ラブ」の作画のお話は本当にうれしいものでした。

芝村さん、担当の斉藤さん、いつもありがとうございます。

ご迷惑になっております……！

毎回芝村さん脚本を一番最初に読む幸せを味わいつつ作画しております。

典子ちゃんも篠田先生も毎回かわいいですね。

設定には最初とてもびっくりしましたが……。

指の女の子が主人公ということで表現に色々と制限があり、私の力不足で難しいところもありますが、それも含めて楽しく描かせていただいております。

篠田先生は担当さんや芝村さんとお話ししている中でもいつもへたれ美形として語られています……が、きっとそのうちいいところが見られるは、ず！（笑）

キャラの見た目ではヲタポンがお気に入りです。

かわいらしくて健気な典子ちゃんを応援しつつ、これからの展開を私も一読者として楽しみにしております。

どうぞ、これからもよろしくお願いいたします。
